Conditions and Agreements

The Bristol Historical Association is the sole judge of the suitability of each property for being listed on the Registry, and any property that is significantly modified later may have its listing withdrawn. Applicants agree to grant permission for photographing and publishing images of the property for the historical and promotional activities of the Association. When a property has been approved for listing an appropriate plaque will be ordered, the applicant agreeing to pay its cost, which is at this time \$_____.

Please sign below your acceptance of these conditions.
